Dear Mr. Ridenour:

Please note that the next scheduled primary document for Site 3 (Beach Trainfire Ranges) will be the Draft Fourth Five-Year Review Report, Fort Ord Superfund Site, Monterey, California. This primary document is expected to be issued in early 2017 for agency review and comment. Since this document includes a review of all Fort Ord cleanup sites, the schedule will be issued as a part of the basewide Fort Ord Federal Facility Agreement (FFA).

A copy of this letter has been furnished to Mr. Min Wu of your office, Mr. Lewis Mitani of the U.S. Environmental Protection Agency, Region IX, and Mr. Grant Himebaugh of the Regional Water Quality Control Board. Please feel free to contact me at (831) 242-7920 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "William K. Collins".
