Charlie Ridenour  
California Environmental Protection Agency  
Department of Toxic Substances Control  
8800 California Center Drive  
Sacramento, CA 95826-3200

Dear Mr. Ridenour:

Enclosed for your information is the revised schedule for submitting primary documents under the Fort Ord Federal Facility Agreement pertaining to timetables and schedules for the Military Munitions Response Program at the former Fort Ord.

The schedule for the Track 2 Bureau of Land Management (BLM) Area B and Munitions Response Site 16 (MRS-16) Remedial Design/Remedial Action program was updated to identify the schedule for submitting Technical Memorandum for unit B-2A. The revised schedule was reviewed and approved by U.S. Environmental Protection Agency (EPA) during the Munitions Response Base Realignment and Closure (BRAC) Cleanup Team monthly meeting on June 19, 2019. It had been approved by California Department of Toxic Substances Control (DTSC) via electronic mail on June 14, 2019. A copy is enclosed for your information.

A copy of this letter will be furnished to Mr. Vlado Arsov of DTSC and Ms. Maeve Clancy of EPA. Please feel free to contact me at (831) 242-7920 if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "William K. Collins".

William Collins  
Base Realignment and Closure  
Environmental Coordinator

Enclosure

## Track 2 BLM Area B and MRS-16 Former Fort Ord
